

A professional portrait of Dr. James L. Baker, Jr. He is an older man with short, light-colored hair, wearing a light brown suit jacket, a light blue dress shirt, and a striped tie. He is standing outdoors in front of lush green foliage and a large, circular, textured sculpture. The lighting is bright and natural, highlighting his features and the texture of his clothing.

James L. Baker, Jr., M.D., F.A.C.S.

SPECIALTY: Dr. Baker specializes in aesthetic plastic surgery and is certified by the American Board of Plastic Surgery. He performs breast augmentation; facial surgery including eye-lids, short scar facelifts, skin resurfacing, brow/forehead lifts and rhinoplasty; abdominal reshaping including liposuction and tummy tucks; and offers a full range of fillers and Botox/Dysport. **EDUCATION:** Florida Southern College—B.S.; University of Amsterdam, Netherlands—M.D. **AWARDS/HONORS:** Best Doctors in America; America's Top Doctors; Best Plastic Surgeon in Orlando—*Orlando* magazine (2005). Has appeared on ABC's *20/20*, *The Phil Donahue Show* and *The Oprah Winfrey Show*. Recognized as one of the "Top Cosmetic Surgeons in the U.S." by *Town & Country* magazine. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** Past president, American Society for Aesthetic Plastic Surgery and the Florida Society of Plastic and Reconstructive Surgeons; member, American Society of Plastic Surgeons; fellow, American College of Surgeons; clinical professor of plastic surgery, USF; professor of surgery, V.F., UCF College of Medicine. **INNOVATIONS:** Dr. Baker uses the VASER ultrasonic liposuction machine, for a quicker, less painful recovery with less bruising, and ZERONA, the first non-invasive, FDA-approved, body contouring procedure to effectively remove excess fat.

WHAT SETS HIM APART: Dr. Baker is world renowned, having published over 40 articles for scientific publications, contributed to 13 textbooks and produced 16 films about plastic surgery. He created the Baker Scale of Capsular Contracture, used worldwide to measure the firmness in an augmented breast. **YOU SHOULD KNOW:** Dr. Baker treats each patient as he would want himself or a family member treated. Many patients who came as young women are now back with their daughters and even granddaughters. His staff has been with him for decades, and his office offers a warm, sophisticated and inviting atmosphere. He performs his surgeries at the Orlando Aesthetic Institute in Winter Park and at the Outpatient Surgery Center at Florida Hospital. **FREE ADVICE:** Make sure your plastic surgeon is certified by the American Board of Plastic Surgery and has hospital privileges for the procedures he performs.
