ABOUT US: Spine & Brain Neurosurgery Center’s mission is to offer the best in medical care by combining a multidisciplinary team of specialized providers with the latest technologies for improved quality of life. We are committed to educating patients about their choices, aiding them as they exhaust less invasive options and offer expert surgical care when it becomes necessary.

OUR SERVICES: Minimally invasive and complex spine procedures, Deep Brain Stimulation, MRI, EMG/NCV testing, non-opioid pain management, spinal injection therapies, BOTOX treatments and joint injections. Our doctors also have expertise in managing neurological conditions with non-invasive treatments.

OUR DOCTORS:

Dr. Nizam Razack is a Fellow of the American College of Surgeons, Diplomate of the American Board of Neurological Surgery and Fellow of the American Association of Neurological Surgeons. He completed his Neurosurgical Residency at The University of Miami. He went on to obtain fellowships in Neuro-Oncology at MD Anderson Cancer Center in Houston, TX, and in Complex Spine Surgery at the Mayo Clinic in Rochester, MN. Dr. Razack is board certified by The American Board of Neurological Surgery. In 2013 Dr. Razack performed the world’s first series of robotically implanted Deep Brain Stimulators for Parkinson’s Disease. He continues to be involved in deep brain stimulation research, developing patents on spatial temporal deep brain stimulation with the University of Central Florida. Dr. Razack is a past President of the Florida Neurosurgical Society and former Chairman of the Department of Neurosurgery at Orlando Health.

Dr. Diana Hussain earned her medical degree from one of the top medical schools in Colombia, her home country, before completing an internship in General Surgery and residency in Physical Medicine at the Mayo Clinic in Rochester, MN. She is double board certified by The American Board of Physical Medicine and Rehabilitation and The American Board of Pain Medicine. Dr. German Montoya recently joined our practice as a Neurosurgical Consultant for evaluation of spinal problems. He also obtained his medical degree in Colombia before completing his residency and fellowship at the Cleveland Clinic. He is board certified by The American Board of Neurological Surgery, is a Fellow of the American Association of Neurological Surgeons and member of the Congress of Neurological Surgeons. Dr. Montoya is also a former Chairman of the Department of Neurological Surgery at both Orlando Health and Florida Hospital.
