## Rivera Family Chiropractic Center

**ABOUT US:** At Rivera Family Chiropractic Center we strive to provide the best health care to each patient. We specialize in complete chiropractic care for the spine and extremities—In-House X-Rays, Chiropractic, Massage and Physical Therapy, Cold Laser, Decompression and Rehab. We stay informed of the most innovative technology so that we can provide the greatest health care and positive results to our patients. All our clinics, located in Sanford, Deltona and Casselberry, offer a quality plan of treatment that is uniquely tailored to each patient's needs. Drs. Omar and Alicia Rivera and most doctors and staff are fluently bilingual to accommodate Central Florida's diverse community. We treat most musculoskeletal complaints as well as injuries associated with auto accidents and sports injuries. Drs. Omar and Alicia Rivera have successfully treated all types of patients including athletes, children, the elderly and accident victims. **EDUCATION:** Dr. Omar Rivera—Undergraduate, Florida State University, Bachelor of Science; Doctorate, Palmer College of Chiropractic Florida, Port Orange. Dr. Alicia Rivera—Undergraduate, University of Miami, Bachelors of Science; Doctorate, Palmer College of Chiropractic West, San Jose, California. Drs. Omar and Alicia Rivera continue to expand their practice by attending continuing education courses and they stay current on the latest techniques in their field. **AWARDS:** Dr. Omar Rivera was chosen as "Best Chiropractor in Sanford," a great award given by *My Sanford Magazine* and the Sanford Chamber. **GREATEST PROFESSIONAL ACHIEVEMENT:** Starting three successful Chiropractic offices together. And being named one of Orlando's Top Chiropractors is truly an honor. We have been practicing in Florida since 1998, showing the community the meaning of true health care through chiropractic.
