

Heathrow Chiropractic

Mark Pegan, DC

YEARS IN BUSINESS: 8 Years for the practice. 10 years as a Chiropractor. **ABOUT US:** Heathrow Chiropractic was founded on the principle that all dysfunctions (pain and disease) require four core treatment methods. These methods include Active Care, Passive Care, Nutrition, and Mental Being. At our office we offer Chiropractic, Massage Therapy, Soft Tissue Mobilization, Rehabilitation, Ultrasound, Electric Stimulation, Spinal Decompression, and several other treatments. We work with many types of patients, including athletes, the elderly, children, and individuals with auto accident injuries. Dr. Pegan attended grade school in the area before graduating from the University of Central Florida with a Bachelor's degree in Health Science. He was then awarded a "Doctor of Chiropractic" degree from Palmer College of Chiropractic. He has completed several continuing education programs to better serve his patients and stays current with the latest technology, techniques and literature in the health field. **AWARDS/HONORS:** Dr. Pegan has worked and is certified as an electromyographer, performing Nerve Conduction and Needle EMG testing. Only 1 percent of chiropractors are proficient in these studies. Heathrow Chiropractic also is involved with the Palmer Preceptor Program, training young chiropractors and preparing them for the real world. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** Florida Chiropractic Association, American Chiropractic Association. **GREATEST PROFESSIONAL ACHIEVEMENT:** Starting two successful Chiropractic Offices. **OFF HOURS:** In his time away from the practice, Dr. Pegan enjoys spending time with his wife, Erin, and two children, as well as weightlifting, surfing, golfing, biking and skiing. **PHILOSOPHY:** "Look well to the spine for the cause of disease." -Hippocrates
