

Nicholas A. White, DMD

Lake Mary Pediatric Dentistry

SPECIALTY/FOCUS: Pediatric Dentistry. **EDUCATION AND CERTIFICATIONS:** Nicholas A. White, DMD, is a graduate of the University of Florida College of Dentistry, where he also attended the internationally recognized Pediatric Dental Program at the University of Florida/Shands Hospital. During this additional two-year residency, he was trained in numerous procedures, including all aspects of restorative dentistry, nitrous oxide analgesia, conscious sedation, hospital/surgical center treatment, orthodontics, behavior management, growth and development, and pediatric medicine, with specific emphasis on hematology/oncology and physical/developmental disabilities. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** Diplomate, America Board of Pediatric Dentistry; Member, American Academy of Pediatric Dentistry; Past President, Florida Academy of Pediatric Dentistry; Member, Florida Dental Association. **GREATEST PERSONAL ACHIEVEMENT:** Being the father of two wonderful teenage daughters. **GREATEST PROFESSIONAL ACHIEVEMENT:** 2018 appointment to the Florida Board of Dentistry by former Gov. Rick Scott. The Florida Board of Dentistry plays a leading role in communications with the public, the Florida Legislature, dental colleges, the dental community, and national dental organizations. **WHAT SETS US APART:** Our team takes part in continuing education

not only for clinical skills but for customer service enhancement as well. We're proud of our patient loyalty and understand that it's based on the continuity of care we provide and the rapport that is built when patients see the same team members each time they visit. **OFF HOURS:** Dr. White enjoys fishing and spending time with his family at the local theme parks and beaches. He's also an avid fan of the Pittsburgh Steelers and the Pittsburgh Penguins. **CHARITABLE WORK:** Dr. White volunteers at the University of Florida Pediatric Dental Program, which operates a community-based facility to offer oral health services to low-income families in Gainesville. We do school visits in February for dental health month. We give away over a thousand toothbrushes and floss annually, along with a dental health lesson. **FREE ADVICE:** When picking a specialist in the field of dentistry, it is best to choose someone who is board certified in that specialty.
