Montverde Academy is a college preparatory school for grades Pre-K3 through 12 located on 130-acres just 30 minutes from Orlando. Our student body represents more than 90 nationalities. At Montverde Academy, students gain life-changing experiences in a diverse environment that encourages sharing and celebrating cultural differences. Established in 1912, the Academy is a school where lifelong friendships are built that span the world, uniting paths that could only be shared in our unique setting.

Nearly 80 percent of our faculty hold advanced degrees and have 10+ years of teaching experience. Students work with teachers in an innovative, college preparatory setting, with an average of 15:1 student-faculty ratio in our Upper School. Classes focus on building critical thinking skills, challenging students with new ideas and encouraging them to do their best in and out of the classroom.

With 34 Advanced Placement® courses and 14 Honors classes, students further their education with a broad selection of subjects, and the ability to pursue a Subject Area Concentration (SAC) diploma in six different study areas of Science, Technology, Engineering, and Mathematics; Pre-Professional Health Services; Visual Arts; Business Innovation and Entrepreneurial Development; Global Perspectives; and Communications. Our seniors have a 100 percent college acceptance rate to schools that include

Duke, Princeton, Harvard, Yale, University of California, Berkeley, and more. Our focus is to prepare students to achieve success in higher learning and beyond.

Students interested in actively pursuing the arts, can participate in a Conservatory program in either Music or Theatre. Aspiring artists can immerse themselves in extensive and challenging programs that enhance their passion and commitment to their fine arts career.

Montverde Academy also offers premier state and nationally recognized athletics for student-athletes who wish to focus additional time and attention toward pursuing athletic dreams through a variety of Academy and/or club programs. We offer four Academies: Center for Basketball Development (CBD); Soccer Institute for Montverde Academy (SIMA); and Montverde Academy Tennis (MAT); and athletic clubs include Montverde International Futbol Club (MIFC); Elite Volleyball Prep (EVP); Montverde Aquatic Club (MvAC), and more.

Whether your child's interest lies in academics, athletics or the arts, Montverde Academy provides an outstanding environment for students to successfully gain the knowledge, character and community needed to achieve their dreams and goals.
