

## Christina Boesch, DMD

**SPECIALTY:** Family & Cosmetic Dentistry. **EDUCATION:** I went to the University of Florida (Go Gators!) for undergrad, receiving degrees in Microbiology, Nutrition and Zoology. Then I pursued my Doctorate of Dental Medicine at Nova Southeastern University in Fort Lauderdale. **WHAT SETS US APART:** My goal is to provide the best in dentistry at reasonable prices. I want people to get the care they need and to feel great about their smile. We have a clean, friendly, modern office with an exceptionally caring team. Our beloved hygienist is one of the most gentle, but thorough hygienists around! **GREATEST PROFESSIONAL ACHIEVEMENT:** The kind words I have received from patients. Nothing makes me happier than a patient telling me that they feel they were treated like family and what a difference dentistry has made in their lives. It gives me great joy to be able to provide a variety of painless services in a comfortable environment. **AWARDS:** Being voted by my peers as one of Orlando's Top Dentists for the fourth year running! I am also proud of achieving fellowship eligibility with the Academy of General Dentistry. Only 7 percent of dentists in the U.S. achieve this level of excellence. This means that you can be sure you

are getting exceptional care! **FREE ADVICE:** There are many reasons that keep someone from seeing a dentist. I could write a long list! Whatever holds you back, just know that you are not alone. We often see patients who haven't seen a dentist in decades and are terrified. We will take the time to give you an honest explanation of your needs and will work with you to find the option that best fits your lifestyle. I have an amazing, caring team that does a remarkable job of relaxing patients and making their experience enjoyable. Give us a try! **OFF-HOURS:** I have enjoyed volunteering throughout Orlando as a member of the Junior League of Greater Orlando. I am also a passionate snow skier!
