

WILLIAM K. FRAVEL  
DMD/PA

ORTHODONTIC SPECIALIST

## William K. Fravel, DMD

### Orthodontic Specialist

**EDUCATION AND CERTIFICATIONS:** Graduated from the University of Louisville School of Dentistry with a Doctor of Dental Medicine Degree and an Orthodontic Specialty Degree. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** I am actively involved in many community and orthodontic organizations including the American Association of Orthodontists and the American Dental Association. **GREATEST PERSONAL ACHIEVEMENT:** My family! My loving and supportive wife, Jeanne, has been the backbone of our family and our practice. My wonderful children Vanessa, Michael, Scott and Brooke fill our lives with joy! **GREATEST PROFESSIONAL ACHIEVEMENT:** My charitable work. Impacting the community and the life of a person in a positive way is extremely rewarding. I have recently formed a local chapter of a national organization offering orthodontic scholarships to local children. Our chapter, Smile for a Lifetime - West Orange, will provide braces at no cost to at least six area students each year. The chapter is led by a Board of Directors of area business leaders who will assist in receiving and reviewing applications and selecting candidates for this exciting program. Braces can change the life of a child. The most rewarding part of my job is to see the transformation in children who have been shy or withdrawn because they

were embarrassed by their teeth. As they near the end of treatment it is wonderful to see their confidence improve as they proudly display their new smile! Being able to offer orthodontic scholarships to children in our community who otherwise may never have received treatment is even more rewarding! **WHAT SETS US APART:** Attending an additional two years of school to become an orthodontic specialist gave me the foundation needed to start my career as an orthodontist. Providing over 20 years of care in Central Florida has given me experience to complement my education. My caring and friendly staff is among the best of the best! Additionally I am a 2012 Invisalign Premier Provider and have the most advanced self-ligating braces for faster treatment with fewer visits.
