# Dr. Thomas Holehouse
Holehouse Center for Complete Dentistry

SPECIALTY/FOCUS: The term "Complete Dentistry" encapsulates a multifaceted approach for our patients. We focus foremost on sculpting beautiful smiles and maintaining healthy gums, while preserving a comfortable bite that feels natural. The end result is a confident smile that endures. **EDUCATION:** A respected alumnus of University of Central Florida, where he achieved his Bachelor in Biological Sciences, then was accepted to University of Florida, where he earned his Doctorate in Dental Medicine. Dr. Holehouse has also completed a rigorous series of seminars and workshops from the Dawson Center for Advanced Dental Study, where he became proficient in creating attractive smiles and utilizing new dental materials under strict guidelines that ensure predictable and long-lasting results. **PROFESSIONAL MEMBERSHIPS:** Central Florida District Dental Association, Florida Cosmetic Dental Association, Academy of General Dentistry, Florida Dental Association, American Dental Association. **GREATEST PROFESSIONAL ACHIEVEMENT:** "By embracing and emphasizing Continuing Education for myself and my staff, I am sincerely confident in my conservative and sound care utilizing evidenced-based principles and techniques that I have been taught and updated over the years. I believe that making the most of C.E. classes inspires and invigorates everyone in my practice to want to perform to the best of their abilities." **WHAT SETS US APART:** We understand that every patient's dental concerns are unique and therefore our approach needs to be as well. Through healthy and open discussions, we accomplish a balance between their concerns and our sound principles. We take complex issues and simplify them so that patients understand not only what needs to be done, but also why it needs to be done. **ONE PIECE OF ADVICE:** There have been tremendous advances in dentistry in both materials and techniques that have resulted in improved aesthetics and patient comfort. Do not be discouraged by a previously bad dental experience as there are many highly qualified dentists that will utilize their expertise to try to make you feel more at ease on your next dental visit.
