SPECIALTY: Drs. Calvin and Kendall Peters are board-certified plastic surgeons specializing in all aspects of cosmetic surgery of the breast, body and face. Our practice also offers the latest nonsurgical procedures to enhance your image through skin care, Botox and injectable fillers. **EDUCATION:** Dr. Kendall Peters—Princeton University (BA), University of Central Florida (BS), University of Florida College of Medicine (MD), Emory University Medical Center (Plastic Surgery). Dr. Calvin Peters—Louisiana State University (BS), Louisiana State University College of Medicine (MD), Duke University Medical Center (Plastic Surgery). **BOARD CERTIFICATION:** Drs. Calvin and Kendall Peters are both double board certified by the American Board of Plastic Surgery and the American Board of Surgery. **PROFESSIONAL AFFILIATIONS:** Our doctors serve on the volunteer faculty of the University of Central Florida College of Medicine as Professor and Assistant Professor of Plastic Surgery. Both are members of the American Society for Aesthetic Plastic Surgery, American Society of Plastic Surgeons, Florida Society of Plastic Surgeons and the Southeastern Society of Plastic and Reconstructive Surgeons. **WHAT SETS US APART:** We provide the highest quality care with an emphasis on compassion, safety and excellent surgical outcomes. Our practice prides itself on utilizing the most advanced surgical techniques combined with a commitment to every

patient's comfort and complete satisfaction. From our beautiful new office in downtown Orlando, which includes a state-of-the-art surgery center located in the building, our mission is to provide you with the highest quality of service in a private, luxurious setting. **WHY YOU SHOULD CHOOSE US:** Our unmatched standard of care has repeatedly earned us recognition by physicians and patients as one of the leading plastic surgery practices in Central Florida. With combined experience of nearly half a century in plastic surgery, our father/son practice proudly focuses on professionalism, personalized individual attention to our patients and skilled patient care. Our doctors are well known for the time they spend with each patient making them feel comfortable and well informed before any procedure. **OFF-HOURS:** With three active young children/grandchildren, most off-hours are spent attending their many events. Both doctors also enjoy personal fitness, golfing, traveling and are active members in their churches and communities.
