

Atlantic Ear, Nose & Throat Devang Shah, M.D.

SPECIALTY: Otolaryngology—Pediatric & Adult Ear, Nose & Throat Physician/Surgeon. **EDUCATION AND CERTIFICATIONS:** Dr. Shah completed his surgical residency at Johns Hopkins Hospital, consistently ranked as one of the country’s best training programs. He is board certified in Otolaryngology. Before becoming a physician, he attended M.I.T. as an undergraduate and designed medical products as a biomedical engineer for Hewlett-Packard. **PROFESSIONAL AFFILIATIONS:** Dr. Shah is a Clinical Assistant Professor at FSU College of Medicine. He has served as Chairman of the Department of Surgery at Fish Memorial Hospital. **PROFESSIONAL ACHIEVEMENT:** Dr. Shah founded Atlantic Ear, Nose & Throat in 1999 to create a practice where patients could receive state-of-the-art treatment in a caring manner. It has grown to provide comprehensive care in all areas of ENT, including pediatric surgery, voice disorders, hearing loss, balance, allergy treatment, facial plastics, sinus, thyroid, and head and neck cancers. Dr. Shah works alongside fellow Johns Hopkins-trained Otolaryngologist Daniel Rothbaum, M.D. The Atlantic ENT team also includes physician assistant Natasha Taylor, P.A.-C., audiologist Samer Abu-Rahmeh, Au.D., and speech therapist Kelly Yurasko, M.S.L.P. **INNOVATIONS:** Sinus patients benefit

from lower dose in-office sinus CT scans and balloon sinuplasty techniques in the OR. Allergy sufferers benefit from cutting-edge protocols in allergy treatment — sublingual immunotherapy, or SLIT, physician-directed at-home treatment without weekly injections or office visits. Hearing loss patients benefit from Bluetooth-enabled devices and tiny digital aids. **WHAT SETS US APART:** Dr. Shah only recommends surgery when appropriate, and is mindful of side effects and risks. Patients enjoy his friendly and get-to-the-point visits, along with the office’s policy of seeing patients on time. **OFF HOURS:** Dr. Shah enjoys bike riding and playing basketball or soccer with his three boys, along with participating in their Boy Scout high-adventure campouts each summer that feature kayaking and hiking.
