Brian Joseph, M.D.

SPECIALTY: Dr. Joseph's specialty is cosmetic plastic surgery of the face, breast and body. This includes breast augmentation, abdominoplasty, face/neck lift, rhinoplasty, eyelid surgery, brow/forehead lift and liposuction. **EDUCATION/CERTIFICATIONS:** Tulane University, B.S.; University of Miami School of Medicine, M.D.; certification by American Board of Plastic and Reconstructive Surgery and American Board of Surgery. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** American Society of Plastic and Reconstructive Surgeons, American Society for Aesthetic Plastic Surgery, fellow of the American College of Surgeons, American Medical Association. **INNOVATIONS:** Some of the many innovations Dr. Joseph uses are VASER Liposelection and DOT laser skin resurfacing. VASER Liposelection allows Dr. Joseph to remove fat and sculpt your body in a less traumatic fashion. DOT laser resurfacing reduces wrinkles, age spots and sun-damaged skin with minimal downtime. **WHAT SETS HIM APART:** Dr. Joseph and his caring staff at Park Avenue Plastic Surgery provide excellence in cosmetic plastic surgery while treating patients as if they were family members, using the safest standards of medical care. Dr. Joseph recognizes that each patient is an individual with different desires and goals, and helps each one achieve them in a warm and respectful environment. "I'm dedicated to treating each patient individually and being personally available throughout

every phase of my patients' care," Dr. Joseph says. **FREE ADVICE:** Research your plastic surgeon. Be sure he is board-certified in plastic surgery by the American Board of Plastic Surgery and not another specialty. **YOU SHOULD KNOW:** Dr. Joseph has staff privileges at both Orlando Regional Medical Center and Florida Hospital. Dr. Joseph also has a medical spa at his Winter Park office, which offers patients medically supervised non-surgical options. Patients choose from a full range of facial and body treatments including peels and massages, as well as treatments that include Botox, Restylane, Radiesse, Juvederm, permanent makeup, laser hair removal, Sciton Erbium laser skin resurfacing, Fraxel laser treatments and Sculpta and DOT Laser. **AWARDS/HONORS:** Patient's Choice Award. Top Doctor 2011. America's Top Surgeon. About Plastic Surgery Top Plastic Surgeon 2011.
