Orlando Urology Associates

**James Welch, M.D., Stan Sujka, M.D., Marshall Melcer, M.D.,
Stephen Baker, M.D., Albert Ong, M.D.**

OUR PRACTICE: Orlando Urology Associates has served the needs of patients in Central Florida for over 60 years. Our current staff of five physicians has a combined clinical experience of over 75 years providing state-of-the-art urologic care. All are Board Certified and active members of national and state specialty associations. **OUR COMMITMENT:** Our doctors along with our professional office staff take great pride in delivering the latest diagnostic and surgical technologies along with innovative medical therapies. We remain dedicated to our practice principles of prompt evaluation and treatment of our patients with courtesy, professionalism and individualized care. **OUR SERVICES:** From expertise in laparoscopic and robotic surgery in the treatment of prostate and kidney cancer to same-day outpatient treatment of kidney stones, our practice provides all aspects of urologic care.

Conditions including prostate enlargement, urinary incontinence (male and female), infections, male infertility, and many others are successfully managed on a daily basis. We invite you to experience our dedication to the best in patient care.
