Dr. Santiago received his medical degree from the University of Puerto Rico School of Medicine, while Dr. Bielawny graduated from Emory University School of Medicine. **OUR PRACTICE:** Physician Associates has delivered obstetric and gynecologic care to the Central Florida community for the past 27 years and strives daily to continue to provide superior care to you and yours. With 12 locations and a team of midwives available, our physicians provide quality care for women of all ages, ranging from the pediatric patient to our geriatric population. Our physicians combine experience with the most advanced medical technology and knowledge to offer you expert care. **WHAT SETS US APART:** Since our founding in 1984, our department has been an integral part of the teaching staff at Winnie Palmer Hospital for Women & Babies. This affords our doctors ongoing access to the newest medical developments. All physicians in our group are skilled in the advances of Minimally Invasive Surgery and many are further certified in the use of the daVinci Robotic system. Our physicians provide high- and low-risk obstetric and gynecologic care at Winnie Palmer Hospital with 24 hour on-site coverage by our physicians and midwives staff. Our physicians take the time

to understand your needs, family history and lifestyle in order to provide an individualized plan of care. Our goal is to provide you with an optimal healthcare experience that will last a lifetime.
