Dr. Kimberly Lee, Dr. Margaret David

SPECIALTY: The doctors at Animal Medical Clinic specialize in preventative health care to keep your pet healthy and happy for many years. Each veterinarian has a unique focus within the practice: Dr. Suarez has special interest in orthopedic surgeries and soft-tissue reconstructive procedures, Dr. David is passionate about healthy weight loss and behavioral concerns, Dr. Lee enjoys caring for geriatric pets and has a special interest in internal medicine, Dr. O'Sullivan excels in the treatment of ocular conditions, while Dr. Quest takes special interest in feline medicine and geriatric pet care. **ABOUT US:** Founded in 1963, Animal Medical Clinic is a full-service animal hospital in Orlando. We have an outstanding team of five veterinarians who are committed to providing the best possible care for your furry family members. We have personnel and doctors on duty six days a week who are able to provide any urgent care that your pet may require. **WHAT SETS US APART:** We strive to provide excellent communication with pet owners to achieve a bond among veterinarian, pet and the family.

Open dialogue with pet owners allows us to help make the best decisions for your pet. **INNOVATIONS:** Our office has state-of-the-art technology including digital radiography and digital dental radiography. **CHARITABLE WORK:** We provide pet care and guidance for local dog and cat rescue groups as well as Seeing Eye dogs and other working dogs. **PET PHILOSOPHY:** We understand your pet is a special member of your family and you want the best care available. It is our mission to treat your pets as if they were our own. You can trust us to put your pet's paws in our hands.
