

Celebrities Choice Cosmetic Surgery

Thomas P. Trevisani Sr., M.D.

EXPERTISE: Certified by the American Board of Plastic Surgery since 1983 and with over 10,000 cases performed, Dr. Tom Trevisani is the senior Trevisani physician and surgeon in the country and began practicing in Central Florida in 1983. **SPECIALTIES:** Dr. Tom Trevisani offers recognized expertise in a comprehensive variety of cosmetic procedures, including complex and challenging Rhinoplasty (nose surgery) and Revision Rhinoplasty. His depth of knowledge in the structures of the face as well as of the entire nasal passage is necessary for this procedure to be successful. Because of Dr. Tom Trevisani's expertise, he often performs revisions for people who were unsatisfied elsewhere or who have encountered breathing problems. Additional areas of specialization include Post-Bariatric Reconstruction that features lifts and tightening procedures for the tummy, thighs, arms and breasts; Liposculpting for body contouring; Botox® Cosmetic to erase lines; and other injectibles that address the details to create your best-ever face. Breast augmentations, lifts, and reduction/lifts are also on Dr. Tom Trevisani's list of specialties. For those who had earlier breast surgery and need or want revisions,

his abilities in breast re-augmentation are renowned. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** America's Top Plastic Surgeons, Patients Choice Award; Best of Florida; Leading Physicians of the Word; Cambridge Who's Who; Global and U.S. Who's Who. **WHAT SETS US APART:** The relationship we build with our valued patients at Celebrities Choice® is multidimensional, says Dr. Tom Trevisani, Founder and Medical Director. "I tell each one, *I want you to live longer, live better, and look your best.* My cosmetic surgery practice focuses on quality of life."
