ENHANCE

for a beautiful bustline.

Part of our full suite of personalized procedures performed in one MyLooks location for your convenience.

“My clothes look and fit so much better now!”  
- Anna P.

## MyLooks Orlando

J. Barry Boyd, M.D.

**ABOUT THE SURGEON:** With over 25 years of experience specializing in cosmetic surgery, Dr. Boyd helps women and men improve their lives by achieving the look they desire. His training includes residencies and fellowships at some of the nation's top programs including the University of Miami, Duke University Medical Center, the University of Pittsburgh, and Harvard University. Board-certified by The American Board of Plastic Surgery, Dr. Boyd has been voted one of “The Best Doctors in Southern Florida” by fellow physicians.

**COMMITMENT:** MyLooks Orlando meets the Gold Standards for safety set by the American Association for Accreditation of Ambulatory Surgery Facilities (AAAASF), which inspects and evaluates everything from our equipment and operating room to our health-care providers' credentials. **CENTERS OF EXCELLENCE:** In addition to AAAASF accreditation, Dr. Boyd follows MyLooks Centers of Excellence standards for successful outcomes and overall patient experience, with an emphasis on personalized care. MyLooks offers a variety of surgical and nonsurgical procedures, individually tailored and often bundled to achieve each patient's goals. **INNOVATIONS:** Dr. Boyd is a versatile surgeon recognized especially for face, neck, breast and “mommy makeover” procedures. His routine use of Laryngeal Mask Airway (LMA) anesthesia eliminates the need for intubation and minimizes concerns about traditional

general anesthesia. His use of platelet rich plasma (PRP), or “tissue glue,” during surgery minimizes bleeding and bruising, and also accelerates healing. **PROUDEST PROFESSIONAL ACHIEVEMENT:** After completing a craniofacial surgery fellowship at Harvard, Dr. Boyd was selected as lead surgeon for an Operation Smile medical mission to Russia, co-sponsored by Florida Hospital, to surgically correct cleft lips and palates for underprivileged children. In his everyday work, each time he helps improve a patient's self-esteem is a proud moment for Dr. Boyd. **MEMBERSHIPS:** American Board of Plastic Surgery (Diplomate), American Board of Surgery (Diplomate), American Society for Aesthetic Plastic Surgery, American Society of Plastic Surgeons, and Florida Society of Plastic Surgeons. **PERSONAL:** Dr. Boyd enjoys digital photography, American Civil War history, stand-up paddle boarding, cruising the Bahamas, and keeping up with his spirited grandchildren.
