WINTER GARDEN ANIMAL HOSPITAL

ABOUT US: Founded in 1947, we are conveniently located on Highway 50 just blocks away from beautiful, historic downtown Winter Garden.

EDUCATION/CERTIFICATIONS: Drs. Prather, Stroud, Perry and Kuester all graduated from the University of Florida College of Veterinary Medicine, while Dr. Miller graduated from Auburn University College of Veterinary Medicine. We maintain rigorous standards in all areas and pursue continuing education to remain at the leading edge of both medicine and technology. **INNOVATIONS:** We offer digital radiology, ultrasound, full dental procedures including digital dental radiology, CO2 laser procedures, extensive in-house laboratory services, routine surgeries including spays and neuters as well as complex soft tissue and orthopedic procedures. **WHAT SETS US APART:** We enjoy forming relationships with our clients and their pets. We cherish the human-animal bond and believe in taking time at each visit to ensure understanding and education, and that all pets receive the care they deserve.
